**25-50** In addition to these 25 Advanced functions, Functionally Fluent!'s Advanced level also includes a **Functionally Fit™** workbook, to help you practice and retain the language you've learned at all three levels, and to complete **25 additional functions** that are essential to any language learner. See you in Advanced!

At this higher level, you will continue learning to express yourself in the **past**, **present** and **future** tenses. Your vocabulary will expand to help you speak about **all** areas of life, with an increasing focus on Spanish for your specific needs.

Each level teaches at least fifty functions, so after all three levels you will be able to **do 150 things in Spanish**, and you will be **functionally fluent!**
